Forecast for Monday 16 Nov 2020

Weather: Early low cloud and showers will clear northwards by around dawn. Then largely dry with sunny spells through much of the day. Clouding over during the afternoon with light rain following behind, turning heavy later in the evening. Gusty winds easing a little during the morning.

Chance of cloud free mountain/hill tops above 800m: Low at first but increasing to high through the first part of the morning. Low again into the evening.

Visibility: Generally good, poor at height at first and at all levels as the evening progresses.
